#### LEGISLATIVE COUNSEL'S DIGEST

SB 1323, Ackerman. Municipal bankruptcy.

Under existing law, any taxing agency or instrumentality of the state may file a petition and prosecute to completion bankruptcy proceedings permitted under the laws of the United States.

This bill would, instead, authorize, except as provided by statute, a local public entity, as defined, in this state to file a petition and exercise powers pursuant to the applicable federal bankruptcy law. The bill would make other conforming changes and would make technical changes to correct obsolete references.

*The people of the State of California do enact as follows:*

SECTION 1. Section 41325 of the Education Code is amended to read:

41325. (a) The Legislature finds and declares that when a school district becomes insolvent and requires an emergency apportionment from the state in the amount designated in this article, it is necessary that the Superintendent of Public Instruction assume control of the district in order to ensure the district's return to fiscal solvency.

(b) It is the intent of the Legislature that the Superintendent of Public Instruction, operating through an appointed administrator, do all of the following:

(1) Implement substantial changes in the district's fiscal policies and practices, including, if necessary, the filing of a petition under Chapter 9 of the federal Bankruptcy Code for the adjustment of indebtedness.

(2) Revise the district's educational program to reflect realistic income projections, in response to the dramatic effect of the changes in fiscal policies and practices upon educational program quality and the potential for the success of all pupils.

(3) Encourage all members of the school community to accept a fair share of the burden of the district's fiscal recovery.

(4) Consult, for the purposes described in this subdivision, with the school district governing board, the exclusive representatives of the employees of the district, parents, and the community.

(5) Consult with and seek recommendations from the county superintendent of schools for the purposes described in this subdivision.
